Re: Beach Closing – Proposed Schedule

The Summer season is almost here and, once again, we're counting on our Bear Pond area volunteers to assist with opening and closing the Town Beach. You have all been very kind and helpful to volunteer, and we sincerely appreciate your willingness to help! We lost one volunteer this year but added another. More would be welcome! To get the ball rolling, however, I've drafted the following "schedule" for this season, which we can update if we find any other willing helpers. Please feel free to give me a call if for any reason you are unable to help out this summer or if this schedule doesn't work for you. We really appreciate your assistance with this very popular community resource!
